WORLD CAR DESIGN OF THE YEAR**

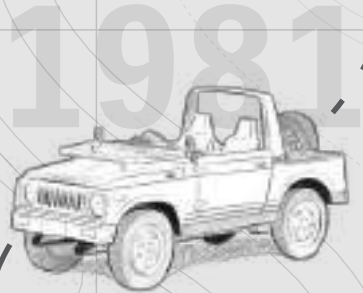

GRIDOTO AWARD 2020
The Best Resale Value
Compact SUV

**THE 1st GENERATION 1970**

The beginning of a legacy that shattered all the rules, becoming a legend for off-road fans who crave a good thrilling adventure.

**THE 2nd GENERATION 1981**

The Second Generation Jimny still rocks the '80s with its head-turning design, both on and off the road. The legacy continues as it conquers both urban streets and untamed terrains.

**THE 3rd GENERATION 1998**

With its aerodynamic design, extended wheelbase, and improved rigid suspension, this Jimny sets a new standard. Crafted for superior comfort, the legacy persists for two decades.

**THE 4th GENERATION 2018**

The legacy evolves into its most best form, driven by a pursuit of perfection and a stylish design that elevates every adventure.

LEGACY'S FOUR-CHAPTER JOURNEY

Gaining wisdom from each adventure and its long journey, the Jimny grows more resilient on the toughest trails, showcasing growth and adaptability in every era.

So, let this legend be the accomplice
as you carve your extraordinary path ahead
and forge your remarkable journey.

**CARVE YOUR
LEGENDARY PATH**

Designed for greater adventures, this 5-door Jimny combines spaciousness with remarkable details to elevate your experience in the great outdoors.

NEW

5 SLOTS CHROME GRILLE*
 Providing an iconic legacy appearance with a timeless touch. With a sense of heritage and elegance, the chrome finish can elevate your car's exterior.

NEW

4 SPOTS PARKING SENSOR + REAR VIEW CAMERA*
 With newest technology and responsive sensors to detect any obstacle in any surrounding. For a broader point of view to enhance parking safety.

MANUAL LEVELING LED PROJECTOR HEADLAMP WITH WASHER
 These iconic Jimny's headlamps come equipped with washers, allowing you to confidently go through mud, dirt, or snow without any hesitation.

*Available for Jimny 5-door

ELEVATE YOUR CONNECTIVITY

Equipped with new generation display audio with a large 9" touchscreen* to make every drive is enhanced. With features like Vehicle Status Display, smartphone linkage, voice recognition, Bluetooth®** music playback compatible with Apple CarPlay & Android Auto

Connect your iPhone to the infotainment system wirelessly or via USB to enable hands-free telephone calls, listen to music, have texts read out, or dictate messages.

Connect your device via a USB socket to access various applications from Google without losing your focus.

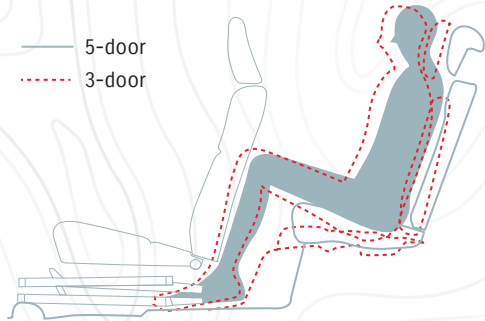

*Available for Jimmy 5-door

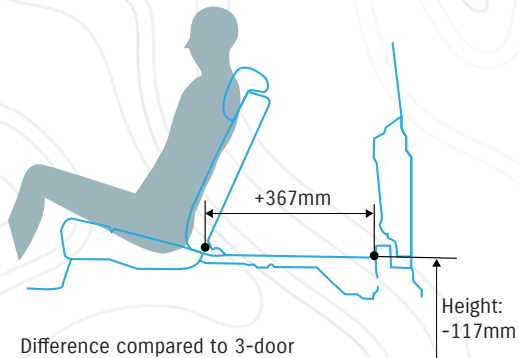

**Bluetooth® is registered trademark of Bluetooth SIG, Inc.

Step into this bigger legacy, where the thrill of greater adventures converges with the embrace of extra space. Now just picture a larger Jimny, elevated with a longer wheelbase and two extra doors. So, climb in and out without worry, thanks to the new 5-door that provides effortless mobility.

The expanded trunk ensures you to be well-prepared for spontaneous journeys into the unknown. Imagine sharing the experience with your favorite companions, each enjoying a comfortable seat on the smooth roads or challenging trails that lie ahead.

YOUR GEAR

YOUR GEAR

JIMNY

3-door

Cruise uncertainty confidently with the legacy.
In every turn and every acceleration, embrace
the thrill of the journey.

The 3-door Jimny is compact with distinctive details, making it well-suited for navigating tight on-road and off-road trails.

**OPTIMISED BUMPERS**

Avoid any obstacle ahead as the angled bumper edges increase wheel clearance. Fear not stone chips; the robust, textured black material on the bumpers can shield against any scratches.

**DARK METALLIC GRAY ALLOY WHEEL WITH TIRE 195/80 R15**

Perfect combination of style and durability, ensuring your car stands out with elegant touch of dark metallic to make a smoother driving experience.

**REAR COMBINATION LAMP**

From daylight to nighttime, it's a crucial feature for your adventure. Reducing risk of accident for safer driving.

**6.8 INCH HEAD UNIT**

The 3-door Jimny is equipped with Vehicle Status Display, USB, Bluetooth®** and Smartphone Connection features for more enjoyable journey.

**INTUITIVELY DESIGNED CONTROLS**

Designed for easy use in challenging conditions. It features switches to the dials, touchscreen controls, ensuring you stay focused on conquering the terrain.

**COMFORTABLE SEAT DESIGN**

Embrace the unforgiving terrain with seats designed for shock absorptions for exceptional and comfortable drive.

YOUR GEAR

AT

MT

ESP® (ELECTRONIC STABILITY PROGRAMME)**

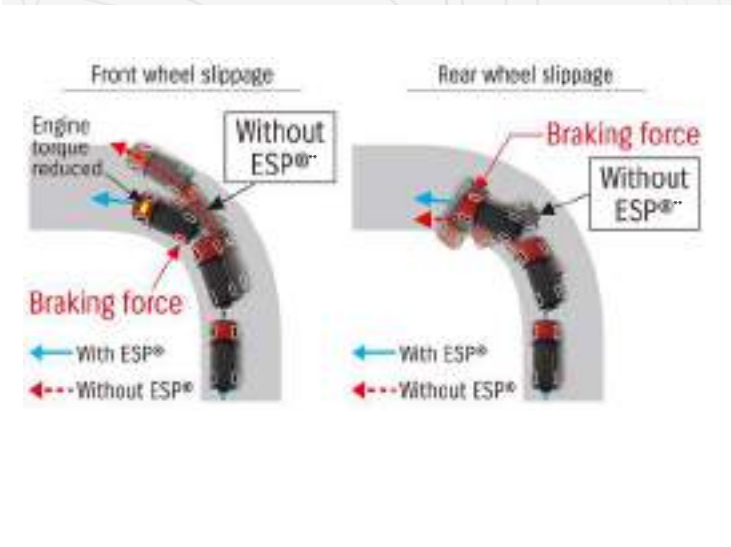

Enhances braking stability on slippery and curved roads, preventing both oversteer and understeer.

PRACTICAL DRIP RAIL

The Jimny roof's drip rail on the sides and rear is flexible for installing roof carriers and keeps you dry when entering or exiting by preventing water drips.

TECT BODY

The frame structure effectively absorbs and distributes energy during bumps and crashes, ensuring the cabin space remains more intact.

YOUR GEAR

ENGINE PERFORMANCE

The responsive 1.5L K15B engine maintains off-road driving capability, producing strong torque throughout RPM range to provide unwavering power for conquering any terrain.

ALLGRIP PRO

Whether on smooth or challenging roads, simply shift the transfer lever.

2H: For driving at normal speeds on roads (asphalt/gravel).

4H: For off-road driving.

4L: For navigating rough rocks, mud, and more challenging terrain.

LADDER FRAME CHASSIS

Built with a robust Ladder Frame structure, the Jimny guides you through rugged topographies. Paired with full-width rigid axles at the front and rear, it conquers the most challenging paths.

3-LINK RIGID AXLE SUSPENSION WITH COIL SPRING

The Jimny, with its tough 3-link suspension and rigid axles at both the front and rear, ensures stability on any terrain. The rigid axle suspension pushes one wheel up while the axle presses the other down, especially in rough road conditions.

AIRBAGS

Be extra prepared to navigate uncertainties with the six airbags for 5-door & dual airbags for 3-door, ensuring your safety.

HILL DESCENT CONTROL

Control your vehicle speed gracefully while descending steep roads.

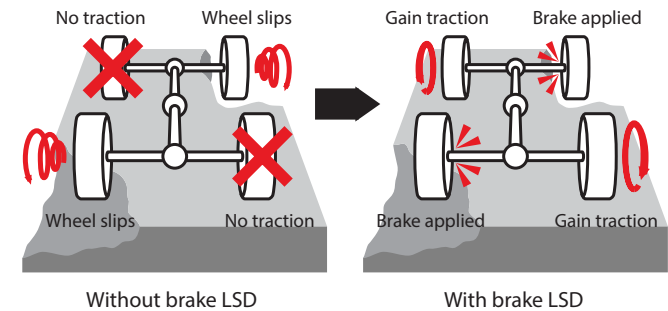

HILL HOLD ASSIST

Prevent the vehicle from rolling backward when bravely facing a new peak.

BRAKE LIMITED SLIP DIFFERENTIAL TRACTION CONTROL

Experience quicker brake response with reduced pedal pressure and improved braking performance to prevent slipping on slippery surfaces.

**Bluetooth® is a registered trademark of Bluetooth SIG, Inc.

***ESP® adalah merek dagang yang terdaftar untuk Daimler AG. ESP® didesain untuk membantu Suzuki Jimny agar mudah dikendalikan. Tetapi, efektivitasnya tergantung oleh kondisi berkendara dan keadaan permukaan jalan. Jika ban melewati limit cengkraman dan roda mulai berputar atau tergelincir, efektivitasnya mungkin akan berkurang.
